

Sponsorships

Herriman Water Polo Team

Your donation goes directly to the support of our athletes and entry to the National Championships.

We need help getting to Nationals.

May 1, 2015

To whom it may concern:

The Herriman Aquatic Team began in 2011, to create an affordable opportunity to create an elite swimming and water polo program. Athletes in Herriman had limited options in swimming and no options for water polo.

Within seven years, our team has earned 2 State High School Championships, had several Academic All-Americans, and several athletes who have been chosen to represent the Mountain West area on an Olympic Development and National Selection Team.

From just 7 girls and 9 boys in 2011, we have grown to almost 80 athletes. Unfortunately, to participate in the National Championships, it is too expensive for many families to participate, so we are not able to bring a team of full strength. These donations go directly to helping the athlete in tournament fees, uniform, and travel.

We are writing to ask for your consideration in giving either a one time monetary donation of \$100 (GOLD LEVEL); \$50 (SILVER LEVEL) or a \$25 (BRONZE LEVEL) sponsorship. Or your considerate donation could go directly to an athlete or the team to cover a specific cost.

Some of the ways we could benefit your (company/business) through a sponsorship are:

- Advertisement of your business on our website. We have more than 1000 unique visitors a week on our website.
- Advertisement on a T-shirt, worn by our club of over 60 plus players that will be seen on both a National and State level.

Each level will receive both benefits listed above. However, the Gold level will receive 1 yr of advertisement, Silver level will receive 6 months advertisement and Bronze level and individual sponsorships will receive 3 months advertisement on our WebSite.

We are also open to any suggestions you may have in regards to making a sponsorship work for both of us.

On the next page we have several explanations of the costs that we cover each year.

Club Director—Michael Goldhardt

Please return with your swimmer or athlete. Make Checks out to Herriman Aquatics or Herriman High Water Polo

or contact us at herrimanpolo@gmail.com

Ads must be Camera ready:
Art work can be in .eps, .tif, .pdf, .ai, or .jpg format.
